

Melbourne's Big Projects Civil Construction Traineeships

Exciting Construction Job Opportunities

We seek reliable and hardworking people to join our construction traineeship program.

You will receive, at **No Cost To You**, up front training courses to the value of **\$485.00** from our in group training team **Short Courses Australia – RTO 41261**:

- **Work Safely in the Construction Industry (White Card)**
- **Control traffic with stop-slow bat course (Traffic Control)**
- **Operate Elevating Work Platform (EWP)**
- **First Aid.**

Our **Transition Pathways Team** will then place you into a **Paid Job in Civil Construction** with one of our clients.

Our employers are **pre-screened** to ensure a safe and quality work experience.

You will be inducted into the workplace and receive industry **standard Personal Protective Equipment (PPE)** and receive ongoing supervision and training whilst working on large Melbourne & Regional Victoria projects.

Our construction trainees then complete the remaining units of competence from the **R1130912 - Certificate III in Civil Construction** flexibly and in the workplace, during paid structured withdrawal with your local RTO or TAFE.

Join Today by contacting our **Transition Admissions Team** on **1300 696 342**, email admissions@shortcoursesau.edu.au or SMS **"CONSTRUCT"** to **0439 741 983**

FREE Certificate 3 in Civil Construction + Paid Employment

- **No previous experience necessary**
- **Earn nationally recognised qualifications**
- **Learn from industry experts**
- **Award rates**
- **Career opportunities**
- **Work on Melbourne's biggest civil construction projects**
